AGES2	_ENCLOSURES (NO. 4	k TYPE)		25X1
EMARKS	This is UNE	VALUATED Information		25X1

- 1. At 1700 on 25 Jammary 1955, 10 x 122-mm field howitzers, 2 x 85-mm AT guns and approximately 30 trucks from the Alte Grenadier Kaserne (2225) 25X1 were entrained at the Neustrelitz railroad station.
- 2. At 1600 on 29 January, a train which carried 12 M-13 rocket laumchers, approximately 15 trucks, 2 field kitchens and about 10 baxcarloads of personnel, came from the direction of Velten and proceeded toward Vehacians. 2
- 3. On 22 January, trenches were being dug with a excavator in the Alt-Lutterow area at the Wittstock training grounds. T-34 tank

 participated in a tank firing practice which was held between 25X1

 1330 and 1400. Thucks field fortifications.

On 23 and 24 January, tanks fired at irregular intervals. All approach roads to the training area were blocked and guarded by sentries.

During the night of 25 January, a tank unit arrived in the Neu-Glienicke area from the direction of Rheinsberg and conducted a firing practice between 2300 and 0100. Approximately 36 JS and T-34 tanks participated in this exercise.

Between 0200 and 0600 on 26 Jamary, additional units arrived and immediately started the construction of field fortifications. Eight JSU-122 guns, 4 SU-100 guns, 8 heavy artillery pieces, 16 AT guns, 8 heavy mortars, 8 rocket launchers, 12 guns of an undetermined type, approximately 100 two and 25X1 three-axle armored personnel carriers, and approximately 65 trucks were seen.

The units assembled in the area between Alt-Lutters and Pfalzheim. At 0900 on 27 January, MiG-15 and Il-28 aircraft dropped to warious calibers on the Belauf Hammelstall area. At about 0970, to the continuous started firing. At about 1400, an undetermined number of the continuous sectors toward Rheinsberg.

25X1

4. Retween 0800 and 1600 on 1 February and between 3000 cm 2 1000 cm 2 1000

Comment. The entraining probably involved units of the 495 th (?) Regt of the 9th Gds Tank Blv from the Alte Grenadier Kaserne. The ment is believed to have been eme of the two shipments which went to Luckenwalds Domment. The train probably carried the bulk of the 89th Gds RL ? the 12th Gds Tank Blv. The battalion probably returned from firing tices at Justerbeg where artillery units of the division had transferred een 24 January and 2 Pebruary. Comment.	Comment.
